Welcome

Explore, Experience, Enjoy!

We welcome all to visit The North Shore of Milwaukee, Wisconsin!

Discover the North Shore and the North Shore Chamber of Commerce are two separate entities that operate under one organization, each with its own unique mission and focus. They do share a common goal of promoting and enhancing the region that is the North Shore of Milwaukee, Wisconsin.

The North Shore of Milwaukee is comprised of seven communities: Glendale, Whitefish Bay, Shorewood, Brown Deer, Bayside, Fox Point and River Hills. Each community has their own unique charm and personality. Throughout our multiple communities, there is truly something for everyone to experience and appreciate.

Discover the North Shore is a convention and visitors bureau providing information on premier events, hotel accommodations, transportation, attractions, and more.

The North Shore Chamber of Commerce's mission is to make Milwaukee's North Shore the best place to do business and prosper. We are a chamber organization designed by area businesses...for local businesses in the North Shore and beyond! We promote economic growth and prosperity of our business community through advocacy, collaboration, education, and networking.

We hope to see you soon!

Sincerely,

Becca Garrison

Executive Director

Nestled in the heart of Milwaukee, Sprecher Brewery calls the North Shore Home. **Sprecher Brewing Co.** has a long history as the oldest Craft Brewery in Milwaukee. Founded by the Sprecher family generations ago, this beloved brewery has remained a cherished fixture in the community, serving up a diverse array of handcrafted beers, sodas, and now energy drinks that delight locals and visitors alike. Today, Sprecher is one of the only breweries in the U.S. that uses fire brewing to create craft beer and soda with bold flavor. It is fire-brewing, plus Raw honey, that makes **Sprecher Root Beer** the best-tasting root beer in the United States. Don't believe us? Just ask the New York Times...

Whether you're a seasoned beer aficionado or simply looking to explore Milwaukee's vibrant brewing scene, Sprecher Brewery offers an experience that's truly one-of-a-kind.

Book a brewery tour today!

So why not raise a glass to tradition and toast to the timeless charms of this beloved brewery? Cheers to Sprecher Brewery – a true gem in the heart of Milwaukee.

OUR PROGRAMS

Family Activity Center

SFCC's Family Activity Center (FAC) offers free and low-cost programs, drop-in play times, activities and special events for ALL families in our community who have a child with special needs. At the FAC, parents and caregivers can find support and share resources while networking with others.

Early Intervention/ Birth to Three

Milwaukee County's Birth to Three Program at SFCC provides early intervention services for children under age three who have developmental delays or disabilities and support to their families. Services offered to families include special education, speech, physical and occupational therapies, psychological therapy, family education and training, and service coordination.

Our mission at St. Francis Children's Center, is to serve and educate children with special needs in inclusive environments, enabling them to reach their greatest potential.

Pediatric Therapy Clinic

At St. Francis Children's Center (SFCC), children can receive treatment for a wide variety of pediatric issues that can affect their growth and development. Our team consists of Speech Language Pathologists, Physical Therapists, Occupational Therapists, Educators, Physicians, Service Coordinators and a Psychologist.

Early Childhood Education

SFCC's Early Childhood Education Program serves children, with and without special needs, from six weeks through K-5. All classrooms are fully-inclusive to ensure that children of all backgrounds and abilities have the opportunity to grow, play and learn together. ECE Teachers and support staff develop curricula to meet the individual needs of children and maximize their early brain development through play-based learning.

Children's Long-Term Support Program

Milwaukee County's Children's Long-Term Support (CLTS) Waiver Program at SFCC serves children with severe, long-term developmental, physical, emotional or sensory impairments up to age 22. CLTS at SFCC provides ongoing support and service coordination for children with special needs and their families. Our CLTS team develops Individual Service Plans, with unique goals and objectives for each child enrolled in CLTS.

Brown Deer is one of the only communities in the Milwaukee metropolitan area that is known as a quaint and racially diverse village that gives opportunities for community members to live, work, and play. Access off two busy state highways, strategic partnerships, and growing momentum for future development give Brown Deer businesses a strong chance to be successful. Brown Deer home valuations have been increasing by at least 10 percent on average each year as there is high demand for all types of housing.

Schlitz Audubon
Nature Center

There is so much to experience at Schlitz Audubon!

Once a farm for the Schlitz Brewery draft horses, Schlitz Audubon Nature Center is Milwaukee's comprehensive nature center, offering six miles of trails that take visitors through 185 acres of forests, wetlands, restored prairies, ravines, bluffs, and Lake Michigan shoreline. Their mission is to conserve their land and provide meaningful experiences and environmental education for all.

Visit Mystery Lake to see frogs, turtles, waterfowl, and other aquatic wildlife. Climb up the 60-foot Observation Tower for a birds-eye view of Lake Michigan. In their Visitor Center, you'll find live animal exhibits, a Mezzanine Art Gallery, and their gift store. On Saturdays and Sundays at 1:00pm, you can meet birds from their Raptor Program, including hawks,

owls, and eagles. Schlitz Audubon is also a great event venue, available year-round for weddings, corporate business meetings, celebrations, and other private events.
